Business Highlights

During the quarter, the Pradeep Metals continued to strengthen its position across key end-user sectors including Valves, Instrumentation, General Engineering and Mining. The company continued to develop new products, expand customer base and meet customer expectations despite the challenging global geo-political situations.

Management Commentary

Commenting on the results, **Mr. Pradeep Goyal, Chairman & Managing Director, Pradeep Metals Limited**, said: We are pleased with our strong performance during the quarter, reflecting sustained customer confidence, operational efficiency, and our focus on value-added products.

Our new defence manufacturing facility at Butibori, Nagpur, is progressing as scheduled. The plant building is ready, and installation and commissioning of the forging presses and associated equipment will be undertaken during the remainder of the financial year. Hot trials are expected to commence in Q4 FY 2026-27.

This strategic investment marks an important milestone in our diversification into defence manufacturing and positions the Company for its next phase of growth.
